SUMMARY

As a Front-End Web Developer/Web Designer, I always seek to learn something new and apply it to my work.

Curiosity is essential to who I am from day to day. I locate problems, provide solutions, test the reliability, and repeat until completed.

EMPLOYMENT

Bulletproof 360 Remote/Seattle, WA
Web Developer / Site Operations
Oct. 2018 to Dec. 2019

Role consisted of HTML, SCSS, and Liquid work associated to product and landing pages. The other half of this role consisted of general website maintenance for Bulletproof's eCommerce team using the Shopify CMS. Technologies used: HTML, SCSS, Liquid, Shopify CMS, Adobe Illustrator, Adobe Photoshop. Additionally, included project management for certain areas of the website.

Susan's Green Cleaning Seattle, WA
Web Developer / Designer
Jan. 2018 to Aug. 2018

Duties included creating a visual redesign of the company's website, meant to increase positive user experiences and provide more visual consistency. The role also included ongoing maintenance associated to the WordPress CMS, SEO monitoring, and more. Technologies used: HTML, CSS, JavaScript, PHP, WordPress CMS, Adobe XD, Adobe Illustrator.

Form Design Studio Seattle, WA
Web Developer
May 2017 to June 2017, June 2018 to Sept. 2018

Project based employment relationship with Form, a Seattle-based design studio. Duties included building and implementing client-specific Shopify templates from Adobe Illustrator mock-ups. Technologies used: HTML, CSS, JavaScript, Liquid, Shopify CMS, Adobe Illustrator.

Liz Adams Remote
Web Designer / Developer / Admin
Feb. 2017 to Sept. 2017

Freelancing client relationship where two websites were built for two separate businesses owned by the same client. Duties included designing and building two client-specific WordPress templates. Technologies used: HTML, CSS, JavaScript, PHP, WordPress CMS, Adobe XD, Adobe Illustrator.
